B. PLANNING & CONSTRUCTION

The date of erection of the building is not known. It does not show on a map prepared shortly after purchase of the property in 1923, on the 1928 plot plan for Building 023, on a 1929 photograph (X 1008), or on the 1949 plot plan for the remodeling of Buildings 008 and 023. However, its absence from the 1949 plot plan does not

prove that the building was not then in existence. The building does appear on a 1958 map prepared by the Office of Campus Planning.
